1. Visitor guidelines for maternity patients will be updated to allow one visitor at a time as is the case for the rest of the health system. (Previously, only a birthing partner and/or a certified birthing specialist was allowed). Maternity visiting hours will be from noon-6 p.m.
2. Emergency Department assistance roles will be rolled out at Bridgton Hospital and Rumford Hospital. Stay tuned for details.
3. To facilitate care of our patients and prevent them from having to stay in the hospital over the weekend, cardiac catheterization will be available on Saturdays from 8 a.m. – noon.
4. We are evaluating on a daily basis all our surgical procedures that require admissions to ensure we have appropriate staffing.
