TODAY'S UPDATE

Staffing issues are impacting Interventional Radiology. Thanks to great teamwork, there's a plan to cover these services until Jan. 3 and work on a longer-term solution. Please stay tuned for details to come.

A federal ambulance crew arrived at CMMC today! EMTs Erin Stant and Dan Hunt, from Texas and Ohio, respectively, will help decompress the hospital by transporting patients between our facilities and may also be helping support COVID patients in the Emergency Departments. Please welcome and thank them if you seen them around.
