

The following providers deliver emergency or other medically necessary care in the hospital facility and are covered by Central Maine Healthcare’s Financial Assistance Policy. This listing is made available in accordance with the United States Internal Revenue Code §1.501(r)-4.

Medically necessary care is defined in Central Maine Healthcare’s Financial Policy as:

“Medical services or supplies which:

- Are ordered by a physician and appropriate and necessary for the symptoms, diagnosis, or treatment of the medical or mental health condition, including certain preventative services
- Are provided for the diagnosis or direct care and treatment of the medical or mental health condition;
- Meet the standards of good medical practice within the medical and mental health community in the service area;
- Are not primarily for the convenience of the patient or a provider; and
- The most appropriate level or supply of service which can safely be provided or, when necessary, as determined by utilization process review.”
